

ATTENTION!

Please note that an official procedure has been launched to rectify the text of the annual call for proposals 2011 under the annual work programme 2011 for grants in the field of the Trans-European Transport Network (TEN-T) for the period 2007-2013 (*Commission Decision C(2011) 1772 as amended by Decision C(2011) 9531*). The following changes have been proposed:

1. Section 2.2 ‘Specific priorities:’, under priority 2, heading 2.b) the sentence “Provision for compliance with future standards, e.g. regarding LNG installations, must be addressed comprehensively in the proposal.”

Will read:

“Compliance with existing standards or provision for compliance with future standards, e.g. regarding LNG installations and LNG bunkering operations and procedures, must be addressed comprehensively in the proposal.”

2. Section 2.2 ‘Specific priorities:’, under priority 5, a new last but one paragraph is added. It reads as follows:

“Studies, managerial structures and activities for the establishment of Rail Freight Corridors in line with Regulation 913/2010 are also considered under this priority. Proposals concerning the Rail Freight Corridors need to take into account the element of multi-modality only as far as required by Regulation 913/2010.”

3. Section 3. ‘Eligibility, Selection and Award Criteria’, sub- paragraph 3.3 ‘Award criteria, heading ‘Priority 2.a), point ‘Maturity’, second indent that stipulates:

Extent to which the initial results of the studies/pilot schemes are expected to be ready by the end of 2012

will read:

Extent to which the initial results of the studies/pilot schemes are expected to be ready by the end of 2013

This change is in direct link with filling in Application Form B.2 Section 4.4.
