Objectives of the Info Day

- Provide guidance to those wishing to apply for financial support from the TEN-T Programme in 2010
- Present the background of the calls: policy areas and priorities, environmental criteria
- Provide more information and support for preparing & submitting proposals
- Explain the evaluation process
- Answer your questions
- Combine presentations from both the TEN-T EA and the Commission (DG MOVE & DG ENV)

Tomorrow's PPP Seminar

- Supports Priority 3 of the Annual Call
- Gives information on the TEN-T financial framework
- Gives hints on how to prepare a sound and successful PPP proposal
- Presents case studies from TEN-T project portfolio
- Shows the links with other Union funds & other organisations with expertise in this area (DG REGIO, EIB, EPEC, EIPA, DIF)
- Highlights TEN-T EA's own activities in this area (Financial Engineering Sector)

Thank you for your participation
