

# Closing Points

**Dirk Beckers**  
**Executive Director, TEN-T EA**

**TEN-T Info Day 2010**  
**31 May 2010**

# Reminder - important dates

- Deadline for submitting any questions: 23 August 2010
- Last update of FAQs on the TEN-T EA web site: 26 August 2010
- Deadline for submitting proposals: 31 August 2010
- Eligibility check & external evaluation: September - October 2010
- Selection: October – November 2010
- Consultation other DGs/FAC: November – December 2010
- EP right of scrutiny: December – January 2011
- Signature of individual Decisions: From February 2011

# Feedback to applicants

- **Feedback on proposals which were not eligible:**  
*Immediately following the external evaluation*
- **Feedback on both successful proposals and those not recommended for funding:**  
*The results will be published after the selection and framework Decision has been taken*

# Key points to remember

- Ensure that all parts of your application are fully completed (A, B1 and B2 .)
- Application forms/guidelines slightly different from 2009
- Include all requested documents in annex
- Have approval of all Member States concerned (first contact point = FAC member)
- Respond to the call to which your proposal best corresponds. Only submit for one call
- Submitting your proposal in English, or with an English translation, will greatly facilitate and speed up the evaluation process

# Key to **SUCCESS**

- **Suitability** - does proposal fit the Call's scope?
- **Understood** and satisfied all formal requirements?
- **Criteria** for eligibility met?
- **Complete?** Including requested approvals/documents
- **Ensures** the required structure?
- **Selectable** - Have you maximised your chances?
- **Submitted** on time
